## High Holborn

### By road

We would advise against driving to Holborn as the parking is not easy. There is a limited number of parking meters in the area. The office does have a small number of client spaces available however, they do need to be booked in advance by calling reception on +44 20 7170 2000.

### By rail

The nearest train station is Citythameslink. Come out of the station, turn left and walk for 10 minutes straight up Holborn. Taxi is three minutes. Alternately take any bus to Holborn Station.

### By underground

The nearest underground stations are Holborn or Chancery Lane. From Holborn come up the escalator, take the exit on the right, turn right and walk about five minutes the office is across the street next to Halifax bank. From Chancery Lane underground station come up the escalator, take the exit on the left when you come out onto the street walk for about five minutes, the office is on your right hand side.
