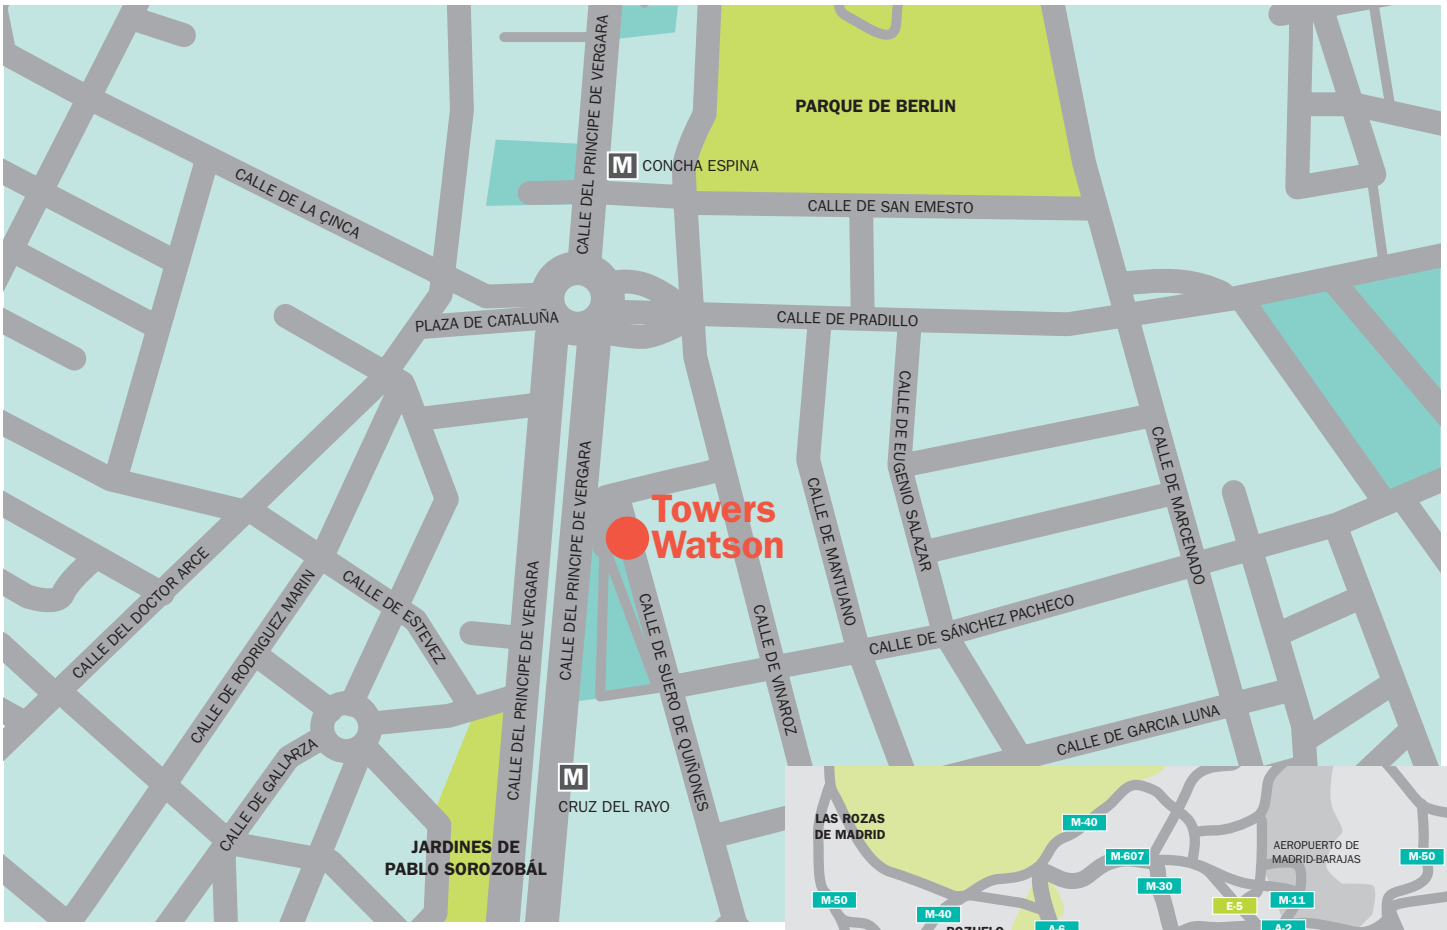
Madrid



By metro

It is situated at Terminal T2. Trains leave every five minutes from 6.00 am to 2.00 am daily. Take the subway to Avenida de América station (line 8 goes directly to Avenida de América station in the centre of Madrid at a cost of 2 euros). Change onto Line 9 and take the “Cruz del Rayo” exit from which The Towers Watson office is a two minute walk.

By bus

Take the number 200 bus from T1, T2 and T3 to the Intercambiador de Avenida de América. Then you can take Line 9 at Avenida de América tube station.

By taxi

The cost is approximately 35 euros by taxi.

By car

Barajas airport is connected by road with the main access and ring roads of the city of Madrid.

From the M-40: Exit 9. Access via the A-2 Airport (T1, T2, T3 and T4).
